Thank you for submitting your valuable contribution to TAO Journal. In order to accelerate the publication process and enable TAO office to disseminate your contribution to a whole extent, the execution of this OPEN ACCESS Agreement is required. Publication cannot continue without a signed copy of this Agreement and payment of the publication charge.

Application for copyright transfer will be made by written declaration of and attestation to the following:

1. That the manuscript is not simultaneously being considered by other journals or is already published elsewhere.
2. That the manuscript has no redundancy, plagiarism, data fabrication, or falsification.
3. That the author(s) has (have) no conflict of interest related to the manuscript.
4. That the material contained within the manuscript is original, with all information from other sources appropriately referenced, and that written specific permission has been granted by any existing copyright holders prior to publication and is clearly cited and available.
5. That the author(s) agree to transfer to Chinese Geoscience Union exclusive copyright ownership for all formats of the manuscript, including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum, in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee, (2) printing copies for free distribution or for sale, and (3) republishing the materials in a compendium or in any other format.
6. That the author(s) acknowledge that all articles published by Chinese Geoscience Union are selected by an in-house editor and fully peer-reviewed by external reviewers. Chinese Geoscience Union applies the Creative Commons Attribution (CC BY 4.0) license, which permits others to copy, distribute, and transmit an article, adapt the article and make commercial use of the article. The CC BY license permits commercial and non-commercial re-use of an open access article, provided the original work is properly cited. See: <http://creativecommons.org/licenses/by/4.0/>
7. That there are no errors in grammar, syntax, spelling, punctuation, or logic.
8. That all figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.

**Note:** Each manuscript published in the *Terrestrial, Atmospheric and Oceanic Sciences* journal is allowed only one first author and only one corresponding author. Designation of co-first authors and co-corresponding authors is not permitted.
